More information can be found here:

Target audience and teaching objectives of the event:

Why might DGP be interested in this event?

SPONSORSHIPS

Sponsors:

How is the autonomy of the event safeguarded from influence by sponsors? Please tick the statements that apply.

- There are no sponsors;
- There are no corporate sponsors from related fields;
- Multiple sponsors pay into an independent financial pool; the organizational administration of this financial pool is strictly separated from the program planning (separate and transparent organizational units of non-profit organizations, etc.).

The event will be certified by _____

- A record of the certification is enclosed
- The event has been submitted for certification which similar events have received in the past. Documentation will be submitted when received.

We and the scientific leadership of the event have read and agree to the conditions for the sponsorship of external events by the DGP.

We confirm that the information we have entered on this form is accurate, and will ensure the full disclosure of any conflicts of interest on the part of the speakers.

We agree that this event will be published in the event calendar on the DGP website (www.pneumologie.de), and that relevant information will be sent to DGP members via electronic newsletter.

The DGP logo may be used only for this event on the announcements and program catalog, and must include the note "Sponsored by...".
